Principal's/Director's Signature

Date

Email completed application to groupsales@vasc.org no less than two weeks prior to requested educational program. If approved, Opportunity Program funds **apply to student costs only, not costs for chaperones** (applicable for group visits).

The Virginia Air & Space Science Center Opportunity Program provides free or reduced educational programming to students that demonstrate financial need. Contributions from individuals, businesses, and foundations nourish the program. Your personal letter thanking program donors will enable program growth and provide direct positive feedback to those who support your classroom program.

We will send a personal thank you letter to be forwarded to the donors of the VASSC Opportunity Program.
