NASA LANGLEY VISITOR CENTER

## Digital Experience Lead at the Virginia Air and Space Science Center Part-Time Job Description (estimated 30 hours per week)

### About Us

The Virginia Air and Space Science Center, NASA Langley's Visitor Center, is a vibrant, nonprofit museum featuring interactive aviation exhibits spanning 100 years of flight, more than 30 historic aircraft, a hands-on space exploration gallery, unique space flight artifacts, and more! VASSC has been sparking imagination, discovery and learning through its education-focused exhibits and STEM-centered programs. VASSC serves a diverse population of families, school groups, and community organizations through interactive play-based exhibits, NASA summer camps, IMAX documentaries, and special events year-round. VASSC is one of Hampton's top family destinations providing enriching learning experiences for children with creative programs and larger-than-life movies.

### Summary of Position

The Virginia Air and Space Center, NASA Langley's Official Visitor Center in Downtown Hampton, is seeking a Digital Experience Lead (formerly the Lead Projectionist). Under the general supervision of the Director of Visitor Services, the Digital Experience Lead will oversee operations and maintenance responsibilities of the IMAX Theater and the ride simulator "Maxflight."

### Candidate Will

- Develops and maintains knowledge and skills to operate existing and new equipment.
- Studies, understands and follows policies and procedures related to and including related technical and safety issues.
- Follows a very flexible work schedule, including early mornings, late nights, etc.
- Provides routine technical maintenance of systems, including but not limited to daily safety checks, changing light bulbs for projectors, and other preventative maintenance.
- Escorts and assists vendors during scheduled inspections and emergency repair sessions.
- Professionally interacts with museum visitors as well as co-workers and associates. Answers questions and completes other duties as assigned.
- Maintains and updates an inventory of theater content on hand, including hard disk drives, film prints, and other media.
- Understanding of the operation of Max flight systems and the ability to train others.
