

Overnight Information Packet

Thank you for choosing the Virginia Air & Space Science Center for your Scout overnight experience! Our programs give Scouts the opportunity to explore STEM through hands-on activities, discovery, and adventure while spending the night among our exhibits. We look forward to welcoming your group and creating an educational and out-of-this-world experience!

Anyone with a fever of 100.4° F or above should stay home

VIRGINIA AIR & SPACE SCIENCE CENTER

NASA LANGLEY VISITOR CENTER

SUNDAY MORNING

7:30 AM

Grab-and-Go Breakfast bags available.
Lobby doors will be accessible to load gear.

Morning

Exhibit exploration and gift shop open.

10:00 AM

Camp-In concludes. All participants must exit the Center by this time.

WANT TO EXPLORE MORE?

You may re-enter when the Center opens to the public at 12:00 PM. Show your Camp-In wristband at the front desk to waive the Sunday admission fee. (Wristband not valid for future dates.)

OPTIONAL ROCKET PROGRAM

SPACE SCIENCE CAMP-INS * 4th GRADERS AND UP

Rocket kits must be purchased during registration and are limited to 50 participants. Additional kits are not available at the event.

After breakfast, all participants will attend a safety briefing before launching (weather permitting) at:

DARLING STADIUM

4111 Victoria Blvd. Hampton, VA

Groups are responsible for transporting their entire group. We do not provide transportation. Parking is available at the Hampton City Library (4207 Victoria Blvd.) located across the street from the launch site. The parking lot at Darling Stadium is for launch team staff only.

Accessibility & Accommodations

We have parking, elevator, and wheelchair accessibility.

If you need special accommodations, please contact the Scout Programs office at least two weeks before your event.

Emergencies

**After hours emergency number:
757-727-0900 ext 751**

Security guards are on duty throughout the night.
